BIBLIOGRAPHY

REMARKS

Minister of Mines Rep. Br.Col. 1896 - p.575.
1897 - p.607.

Claim adjoins "Old England" on north end. The centre and east vein has been traced through the Homestake - two tunnels, one of 60ft and the other of 30ft. (B.C.Rep.1896 - p.575). Probably part of "Old England Gp".
