1945 - P. 43-96
1949 - P. A163.

This property apparently has not been operated by the Venango Gold Mines Ltd. since 1942. Kenville Gold Mines Ltd., developed it in conjunction with Granite Poorman Mine which has a complete mill and cyanidation process plant.

In 1949 when Granite Poorman closed down it was leased to AG & D.H. Norcross.
