REMARKS

G. S. C., Memoir No. 26, 1911, p. 135.

*North American Platinum Corporation Ltd.
Prospectus, 30 June 1911*

"Hine Creek is an inconsiderable stream emptying into the Tulameen from the south, nearly a mile above Bear creek. Some work was done on it years ago, a short distance above the Tulameen river, but the quantity of gravel in it is very small indeed. Both gold and platinum were obtained." (G.S.C., Memoir 26.)
