 355 Burrard St.,  
 Vancouver.

DESCRIPTION OF DEPOSIT/DESCRIPTION DU GISEMENT

A silver-bearing vein has an indicated length of 1,500 feet. Rock samples from the adit over a length of 110 feet are reported to average 45 ounces a ton in silver.

HISTORY OF EXPLORATION AND DEVELOPMENT  
 HISTORIQUE DE L'EXPLORATION ET DE LA MISE EN VALEUR

The RU claim group is located adjoining the Adera property some 15 miles northeast of Atlin.

The RU 1-8 claims were staked by prospectors R. Newson, J. Snell, and E. Mueller, principals of Adanac Metals Ltd., a private company incorporated in June 1966; the company was changed to public status under the name Adanac Mining and Exploration Ltd. in September 1967. The RU claims were transferred to the company in December 1967. Work on the property in 1968 included several hundred feet of tranching, and 150 feet of drifting in one adit.
