

# 2001 OPERATING MINES AND PROJECTS IN ENVIRONMENTAL ASSESSMENT REVIEW IN B.C.

Compiled by G. Owsiaci, M. Cathro, P. Wojdak, J. Houle, D. Terry, R. Lane and T. Schroeter

| OPERATING MINES     |                                  |
|---------------------|----------------------------------|
| NAME                | COMMODITY                        |
| Anyox               | Slag                             |
| Ashcroft            | Aggregate                        |
| Baker               | Gold, Silver                     |
| Beaverdel           | Granite                          |
| Benson Lake         | Limestone                        |
| Blubber Bay         | Limestone                        |
| Bud                 | Bentonite                        |
| Bullmoose           | Coal                             |
| Buse Lake           | Silica                           |
| Canal Flats         | Gypsum                           |
| Canyon              | Granite                          |
| Coal Mountain       | Coal                             |
| Craigmont           | Magnetite                        |
| Crawford Bay        | Dolomite                         |
| Dahl Lake           | Limestone                        |
| Dome Creek          | Slate                            |
| East Anderson River | Granite                          |
| Elkhorn             | Gypsum                           |
| Elkview             | Coal                             |
| Endako              | Molybdenum                       |
| Eskay Creek         | Gold, Silver                     |
| Falkland            | Gypsum                           |
| Fireside            | Barite                           |
| Fording River       | Coal                             |
| Gillies Bay         | Limestone                        |
| Giscome             | Limestone                        |
| Golden Bear         | Gold                             |
| Grand Forks         | Slag                             |
| Greenhills          | Coal                             |
| Greenwood           | Slag                             |
| Hardy Island        | Granite                          |
| Harper Ranch        | Limestone                        |
| Highland Valley     | Copper, Molybdenum, Silver, Gold |
| Huckleberry         | Copper, Molybdenum               |
| Imperial            | Limestone                        |
| Kerness South       | Copper, Gold                     |
| Kootenay Stone      | Flagstone                        |
| Kutcho Creek        | Jade                             |
| Line Creek          | Coal                             |
| Lost Creek          | Limestone                        |
| Moberly             | Silica                           |
| Monteith Bay        | Silica                           |
| Mount Brussilof     | Magnetite                        |
| Mount Meager        | Pumice, Aggregate                |
| Mount Polley        | Copper, Gold                     |
| Myra Falls          | Copper, Zinc, Lead, Gold, Silver |
| Nazko               | Pumice, Aggregate                |
| Nipple Mountain     | Flagstone                        |
| Pavilion            | Limestone                        |
| Quinsam             | Coal                             |
| Ranchlands          | Zelite                           |
| Red Lake            | Fuller's earth                   |
| Revelstoke          | Flagstone                        |
| Rock Creek          | Dolomite                         |
| Serpentine Lake     | Jade                             |
| Shadow Ridge        | Dimension stone                  |
| Skagit Valley       | Granite                          |
| Squamish            | Granite                          |
| Sullivan            | Lead, Zinc, Silver               |
| Sumas               | Shale                            |
| Sumas Fireclay      | Fireclay                         |
| Trail               | Slag                             |

| PROJECTS IN ENVIRONMENTAL ASSESSMENT REVIEW |                                  |
|---|----------------------------------|
| NAME  | COMMODITY                        |
| Bronson Slope                               | Copper, Gold, Silver             |
| Cariboo Gold                                | Gold                             |
| Prosperity                                  | Copper, Gold                     |
| Red-Chris                                   | Copper, Gold                     |
| Silvertip                                   | Silver, Lead, Zinc               |
| Telkwa                                      | Coal                             |
| Tulsequah Chief                             | Copper, Zinc, Silver, Lead, Gold |

Note: Some mines seasonal or only operated for part of the year. Does not include placer and sand/gravel operations.
