## REMARKS

Minister of Mines Rep. Br.Col. 1890 - p.378.  
1895 - p.706.

Under able management of J.W.Jensen, property paid in summer of 1890 \$10,000 over and above expenses Very valuable property and will eventually give shareholders large returns for money invested in opening up the mines.(B.C.Rep.1890 - p.378). A good deal of prospecting was done in 1893 by different companies and about \$4,500 taken out. No reference to individual companies.  
(B.C.Rep.1893 - p.1073).  
The Laura Hydraulic Mg.Co's.property was worked in 1896 by a few Chinamen who realized about \$700.  
(B.C. Rep. 1895. p.706)
